the natural resources. In his Welcome address, Dr. Mrinal Kanti Dey, Associate Professor and Head, Department of Philosophy, Y. S. Palpara Mahavidyalaya had focused on the means of preservation of the environment to meet upcoming natural hazards and challenges and he has also highlighted the importance of planting trees and nurturing them for at least one year with gentle care. He motivated NSS Volunteers and all the students to plant more trees to save human civilization as well as the animal kingdom.

The Keynote Speaker Mr. Somnath Das Adhikary, Chairman, Biodiversity Management Committee, Patashpur-I Block, Purba Medinipur, West Bengal Biodiversity Board, Govt. of West Bengal, had pointed out on the relevance of restricting use of under-ground sweet water due to the gradual contraction of the sources of such and also shared very engaging session on Biodiversity and Ecosystem management in this modern era of pollution and increased population growth. He had also highlighted the abundance of plastic waste materials which pose a threat to the existence flora and fauna of this mundane world.

The seminar ended with an oath taking for restoring the world environment by all the people present there. Thereafter, a snake rescuer named Mr. Anup Mandal handed over two long sized Monocled Cobra to the forest officials by giving the message that snake should not be killed to restore the ecosystem of our natural world. Finally, the vote of thanks was extended by Miss. Srimoyee Roy, Joint Convener of the Programme and Convener of Social Involvement Programme Committee & Asst. Professor, Dept. of English.

With regards,
