

To Whom It May Concern

We extend our Heartfelt Thanks to Prof. Ms. Sova Pal (Bera ) HOD CS Department & Prof. Mr. Sumon Mondal of Y. S Pal Para Mahavidyalaya for participating in “The Computer Assembly Workshop” with your students held at our institute campus on 15<sup>th</sup> January 2017. I believe this would help them to look upon Hardware Networking as a future career option & encourage them to pursue a career in Networking Industry.

Thanks & regards

*R. Chakraborty*

- 2. We reached to Elgin Road at 10:00 A.M.**
- 3. After getting fresh, at 10.30 A.M., We reached at JETKING NETWORKING & HARDWARE INSTITUTE, Kolkata – 20.**
- 5. Seminar conducted by company personnel continued till 1:30 P.M.**
- 6. After that, We had a lunch break for 30 Minutes.**
- 7. After taking lunch, we started Second Session till 3:00 P.M.**
- 8. Then, We started journey for coming back home at 3.30 P.M.**
- 9. We arrived at Palpara at 8:00 P.M.**

The one day visit was organized with prior permission of **JETKING NETWORKING & HARDWARE INSTITUTE**.

**JETKING NETWORKING & HARDWARE INSTITUTE**

**'Seminar Session at JetKing, Kolkata-20'**

It was a good experience, which has provided exposure to the final year students with industrial life.

The students are benefited in terms of the technical details provided by the company on an important part of Recruitment Policy by Company and Various Career Opportunities in I.T. industries. They conducted around 4 hours seminar sessions which covered the following details:-

**The presentation session was conducted by:**

**Employees of organization**

**1. Product Lifecycle [Product concept, Design, Engineering/Development , Agile Methodology , Maintains & support, Professional service and industrial Design & Engineering ]**

2. Technology [ Analytics, Big Data, cloud, collaborating, Embedded, Mobility and security]
3. Different areas for which Industries works.[ Technology, Telecommunication, life science, Customer packaged Goods, Banking & finance , Healthcare ]
4. Main focus was on infrastructure management. Various career opportunities in front of IT students in the field of infrastructure management [Industry network policy design and development, Security policies, Firewall Management etc.]
5. Core concepts related with cloud computing and its reflection with current industry needs. [Cloud computing, concepts in networking, Recruitment policies of various companies etc.]

The students of final year Computer Science and all the two staff members have enjoyed the technical endeavor at both the organizations a lot. The company persons also appreciated our students after the question answer sessions. Visit seems to be very informative and gives good learning experience. It was the unique example of 'EDUTAINMENT' i.e. Education & Entertainment.

Students were well mannered and disciplined throughout the Tour and no injury or anything bad happened during the industrial tour.

All the Staff members and Students are extremely thankful to JETKING, Officials at organizations who grant the permission of visiting their organization and guide the students.
