## NATURE CLUB

### ❖ Formation of the Nature Club:

- Nature Club of Yogoda Satsanga Palpara Mahavidyalaya was established on **15.06.2023**.
- The motto of the Nature Club are to **create awareness, motivate and educate students for environmental conservation and also inculcate the importance of environmental cleanliness and sustainable development.**

### ❖ Aims:

- The Nature Club aims at inculcating an **appreciation of nature** among students and encouraging them to **participate in a variety of conservation initiatives.**

### ❖ Objectives:

- Establish and foster a deeper connection between students and nature.
- Sensitize, motivate and educate students and staff about environment conservation.
- Create awareness among society about environment and related issues.
- Encouraging efforts to protect and conserve biodiversity in vicinage.
- Contributing in environment awareness and conservation drives in collaboration with regional nature clubs and institutes.
- Develop awareness of and encourage an interest in the natural environment among its students through meetings, talks, workshops, study groups, and field trips.
- Co-operate and collaborate with focus groups to enable the protection and saving of natural resources, which we sustain.
- Develop opportunities to learn and become better green leaders of tomorrow.

### ❖ Policies of Nature Club:

#### 1. Community-Based Activities :

- I. Nature club can perform many community based activities.
- II. Club members can recruit volunteers to clean up a corner of the community.
- III. Taking care of animals is another option.

# Yogoda Satsanga Palpara Mahavidyalaya

NAAC Accredited ('B' Grade) and NCTE Recognized (B.Ed. and M.Ed Courses)  
affiliated to

Vidyasagar University, Midnapore and WBUTTEPA, Kolkata, (Govt. of West Bengal)

At P.O. Palpara, Dist : Purba Medinipur, PIN Code – 721458, West Bengal, India

III. Taking care of animals is another option.

IV. Students can clean up open spaces that are home to animals or invite younger students to a meeting and teach them about caring for wildlife.

V. Planting trees, flowers and community gardens are other ways.

## 2. Gardening Activities:

Planting a garden teaches students about the life cycle of plants, what plants need to survive and how to tend and cultivate plants to promote growth and production of fruit.

Example: Herbal garden, Kitchen Garden etc

## 3. Eco Friendly Campus:

As part of Nature club activity, In our college we has planted many trees and plants every year within and the outside of the campus.

## 4. Plastic eradication:

The college has always prioritizes the Eco-friendly education and as a measure, the Nature Club greatly emphasis on plastic free environment.

5. Awareness Programme has conducted by the Nature Club.

## 6. Campus cleaning Activities:

Routine Campus clearing activity has carried out by the members of Nature Club.

## 7. Eco-Education Seminar/Webinar:

Seminars or webinars are organized to spread the awareness about the Nature.

## 8. Personality Development:

Motivating moments for personality development, Leadership creation and decision making capabilities are encouraged by the nature club.
