Students as well as people all around the world now-a-days are exclusively dependent on mobile phones and internet. Use of such devices have become so common that sometimes they forget to make use of their brain and they take recourse to the devices and applications instead. Gradually mobile phone addiction rises up alarmingly and it becoming life threatening so often. Listening to songs using head phones on the streets sometimes causing fatal accidents. Students are losing concentration in their studies, losing their mental temperament and patience due to it also. In this regard the NSS Units of Yogoda Satsanga Palpara Mahavidyalaya under the patronage of the IQAC arranged a One Day Workshop on Impacts of Cell Phones in College Students on 26th June, 2023 to preach the message of awareness among the students on the restricted and appropriate use of mobile phones. A number of almost 300 NSS Volunteers and other student were present in the programme. The workshop was inaugurated by Dr. Mrinal Kanti Dey, HoD of Philosophy Department of the college through the floral tribute to the bust of Dr. Sarvapalli Radhakrishnan in the Seminar Hall. Dr. Dey has a wonderful interactive session with the audiences. He explained the negative impacts of mobile phones in tis wrong and inappropriate usage. He exemplified health issues associated with the excessive use of such gadget.

The other speaker of the workshop was Mr. Binod Kumar Sardar, NSS P.O. and Assistant Professor in the Department of Geography, who very lively delineated various aspects of the use of mobile phones. Students were highly motivated with his speech and came to know about the darker aspects of the use of mobile phones. At the end Mr. Bhupen Mondal, another P.O. of NSS advised the students and Volunteers not to use mobile phones unhesitatingly. The entire programme was moderated by Sujit Mandal, NSS P.O. and Head of the Department of English of the college.
