[Subject: Report on activities in adopted villages by NSS]

NSS Units of Yogoda Satsanga Palpara Mahavidyalaya have always been engaged in social welfare services and community outreach programmes. All the units this time had a joint venture to stand by the students having economic instability in family of the four primary schools in the adopted villages on 28.06.2023. The selected schools in the adopted villages Gonara, Palpara, Chistipur Bheri and Baruibar are Gonara Adarsha Primary School, Y.S. Palpara Primary School, Chistipur Bheri Adarsha Primary School and Baruibar Primary School respectively and a number of almost 400 students of different classes were distributed with learning materials and the necessary indispensable items for studies. All the students after receiving those items were in a true joyous mode. Some of the students having physical challenge and mental retardation were taken extra care and attention. The head teachers of those schools were given assurance of further assistance for those learners.

The arrangement of such an outreach programme is very necessary as the college with those schools in the adopted villages are situated in a very remote rural area where a number of families are staying below the poverty lines and they are truly in need of various helps. Education of the students are sometimes neglected and the number of dropout students are increasing regularly after the Covid-19 pandemic. In such a scenario the work done by NSS was a very much important one. NSS also is planning to extend such programmes in regular intervals.

Almost 80 NSS Volunteers (Male 20, Female – 60) and four NSS Programme Officers participated in the programme. They gathered in the college campus around 8:30 a.m. on that day and continued the programme till 1:30 p.m.
