Report on the “Blood Donation Camp”

The Social Involvement Programme (SIP) Committee of Yogoda Satsanga Palpara Mahavidyalaya, in collaboration with the Internal Complaint Committee (ICC), the four National Service Scheme (NSS) Units of the college, the Alumni Association and the Internal Quality Assurance Cell (IQAC), organized a Blood Donation Camp in association with Egra Blood Bank, Egra, S.D. Hospital, on 12.02.2024. in room numbers N-1 and N-2 with the objective of raising awareness among students, staff members and the local residents of the area about the importance of blood donation and its life-saving impact. By encouraging people to participate, the camp aimed to increase the blood supply for those in need, fostering a culture of altruism and social responsibility. Blood donation is crucial for saving lives and supporting medical treatments. Donated blood is used in emergencies, surgeries, cancer treatments, and to aid patients with various health conditions. Regular donations ensure a stable blood supply, promoting community health and enabling healthcare providers to respond to critical situations effectively.

The Programme was inaugurated by Prof. (Dr.) Pradipta Kumar Mishra, Principal of the college, Dr. Mrinal Kanti Dey, Head of the Department of Philosophy, Dr Srimati Pandit, Convener of the Alumni Association, in the gracious presence of NSS volunteers, NSS Programme Officers Mr. Sujit Mandal (Unit-I), Ms. Srimoyee Roy (Unit-II and Convener of the SIP Committee), Mr. Soumen Roy (Unit-III) and Mr. Mohan Kumar Gupta (Unit-IV), faculty members from various departments including Dr. Krishna Basu Thakur, Dr. Pragna Bhattacharya, Dr. Arpita Samanta, Ms. Arundhati Bhattacharya, non-teaching staff of the College, and medical professionals from the Blood Bank of Egra S.D. Hospital. The Principal, Dr. P.K. Mishra delivered a brief Inaugural Address highlighting the crisis of availability of blood at hospitals, and commended the enthusiasm of the participants for coming forward to perform their social duty. Dr. Pandit also encouraged the donors and the volunteers and congratulated the organisers on their efforts on the undertaking. The doctors and medical attendants as well as the donors were presented with bouquets as tokens of appreciation by faculty members and NSS volunteers.

The Camp began at 11.00 AM after the arrival of the medical personnel from Egra S.D. Hospital. Following their registration, donors went thorough medical check-up performed by the doctors prior to the blood donation to gauge their eligibility as donors. One of the rooms was dedicated as the recuperation unit for the donors, where, following the procedure, they were given supplementary drinks to replenish their energy. NSS volunteers were active during the whole session, guiding donors and assisting the organisers and the medical personnel whenever necessary. Some NSS volunteers were stationed in the recuperation room on standby, ready to act in case of emergencies. They were a great driving force in spreading awareness on the importance of blood donation and also in organising the programme.

The Blood Donation Camp was a grand success with the active participation of the 40 donors who registered and 60 NSS volunteers from all the four units.
