Resolution of Committee meeting - "Internal Committee for Students with Disabilities"

Meeting date : 2nd January, 2024

Time : 2pm.

Place : Principle's chamber, Palpara.

Agenda and Resolution :

- 1) The committee has interacted with the PWD students individually and enquired about their obstacles in the way of education and has come to know about the fact that they are struggling with their economic condition. In view of the same, all of them (their family) have expressed their hardship in terms of economic support for their children (PWD).

The committee having come to know the situation has unanimously decided to bring this situation before the authority of the college for any remedy in this respect.

- 2) In view of the above this committee has decided to place an appeal to the authority to waive all the fees, presently being collected from PWD students.

3) The committee has received individual application from the parents of the PWD students in respect of the said appeal.

It is resolved that those letters will be forwarded to the authority along with the recommendation.
